Cathy is a retired career coach, a seasoned spiritual director and a recently-published author. Though a native of New Orleans, Cathy has called Canada home for 37 years. She and John live on the ocean's edge in Vancouver, BC and between them have five children and five grandchildren. Her mother was Ann Fort, a faithful member of Hope for over 30 years.

Cathy self-published *Whispered Wisdom* last year as an invitation for you to slow down and tune in to what's going on beneath the surface of your soul. Personal narratives and thought-provoking questions will draw you into a conversation with your Maker and space is provided to journal what you hear.

Creative communication and encouragement are the tools she uses to help others attune to God's voice and follow the Spirit's lead.
